

## **Hexbug nano (651281)**

*SUPER: Hexbug nano*

Hi, this is Michael at Brookstone.  
Today I'm going to show you the  
robotic bug that glows in the dark  
and responds to touch and sound.

*SUPER: Bug Your Friends*

Let the Hexbug nano loose  
and watch it move all over,  
it's great fun for you and all your friends  
and gives hours of enjoyment

Hexbug nano moves back and forth,  
it can turn itself upright,  
and when in a group of other nanos,  
the Hexbug responds to their movements, too.

*SUPER: Start a Swarm*

Play with one Hexbug nano  
or let a whole handful of them loose!

*SUPER: Be Creative*

Optional Hexbug sets allow you to build  
and direct Hexbugs wherever you choose.

*SUPER: So Much Fun*

The Hexbug nanos are so much fun,  
you can enjoy them for hours on end.

*SUPER: Each Sold Separately*

Begin your collection with one Hexbug nano,  
then get more to build up a whole community.  
Great fun for the whole family, Hexbug nano.

*SUPER: Convenient, Colorful, Fun*

So be sure to get your own Hexbug nano from Brookstone today!
