

## **Violight UV Cell Phone Sanitizer (653907)**

*SUPER: The First Ever UV Cell Phone Sanitizer*

Hi, this is Michael at Brookstone.  
Today I'm going to show you the  
first ever UV Cell Phone Sanitizer.

*SUPER: It eliminates germs and bacteria*

It eliminates 99% of germs and  
bacteria on your cell phone, MP3 player,  
and other accessories.

*SUPER: Wired Magazine logo*

Wired Magazine says, "The irradiated  
warmth of a cellphone's interior is a vile,  
germ-infested bath, loaded with more  
pathogens than any surface in your home."

*SUPER: Tech gadgets - Cell phones, MP3, headphones, etc*

Eliminates 99% of germs on cell phones,  
MP3 players like iPods, Bluetooth headsets  
and even earbuds.

*SUPER: Easy to use - and fast*

It's real simple to use. Just insert your device,  
close the cover, and instantly, sanitizing begins.  
In just three minutes, the device shuts off  
leaving your devices 99% germ-free.

*SUPER: Perfect for your devices*

Be sure to use the Violight UV Cell Phone Sanitizer from Brookstone for all your personal tech  
devices.
