SUPER: Pinball Magic [app]cessory

Hi, this is Michael at Brookstone.
Today I'm going to show you a game
that combines arcade action with the most
modern smartphone technology—for fun.

SUPER: Just Slide in Your iPhone or iPod touch

Cabinet is shaped just like a classic pinball
machine...just in miniature. And it features
touches like a pull-back plunger and
paddles on both sides for authentic gameplay.

Game sounds are also just as real with
bells and electronic snippets of balls
bouncing off bumpers and cabinet.
It's as if you're playing in a real arcade.

SUPER: Free iTunes Game!

Mini pinball cabinet works with the free
Pinball Magic game from New Potato Tech,
available in the Apple iTunes Store.

SUPER: New Potato - Pinball Magic

This fun game from New Potato Tech
is a neat way to use your smartphone or
iPod and enjoy the game of pinball.

So be sure to get Pinball Magic app-cessory from Brookstone. It's big fun in a mini size!
