

## Brookstone Anti-Snore Pillow

Sometimes it seems as though his snoring...won't...ever... stop.

No doubt about it: his snoring is a big problem...for both of you.

That's why you need a solution... for both of you.

(00:45) Presenting the Brookstone Anti-Snore Pillow, our most comfortable anti-snoring pillow ever. It's clinically tested to be helpful in reducing snoring. The Brookstone Anti-Snore Pillow is designed to help reduce snoring by keeping your chin away from your chest and your airway more open. Best of all, it lets you maintain your natural back- or side-sleeping position. The result: a better night's sleep for you and your partner.

(1:12) There are lots of hit-or-miss remedies out there. Chances are, you've tried at least one of them.

(1:19) "Roxane tried several different things to try to curb the snoring, including chewable tablets."

"I tried the spray, and that kind of hurt your throat."

"My personal favorite was the strip on her nose."  
"I have tried the mouthpiece."

"It was very frustrating because no matter what I tried, I still snored. But then, we discovered the Brookstone Anti-Snore pillow and it absolutely worked."

(1:45) The Brookstone Anti-Snore Pillow is different. It's scientifically designed for maximum comfort... and quiet.

We start with a luxuriously soft and supportive memory foam neck pillow that comfortably supports your head. We then add special recess-and-support zones to help keep your airway open when you're sleeping on your back. Then taper the pillow's profile to help keep your airway open when you're sleeping on your side.

(2:11) For back sleepers, the Brookstone pillow's support system cradles your head to help keep your chin away from your chest, and your airway more relaxed and open.

(2:20) When sleeping on your side, the pillow's unique design allows for improved alignment of the head, neck and shoulders, supporting a more open airway, and a quieter night's sleep.

(2:30) "Well, I'm the one who admits that she snores in the family, lets just say."

"You know, it was frustrating, but, it wasn't frustrating enough to make me, you know, want to leave the room. But, it was definitely impacting my sleep."

"No one get's any sleep. She doesn't get any sleep. I don't get any sleep."

"There is nothing more awful than waking up your husband, snoring."

"So, it's stressful on a relationship."

"The Brookstone Anti-Snore Pillow is a miracle pillow, really to me."

"It took no time at all to get used to".

"The next morning, I woke up, and Michael was so excited, he said, you slept on your back the entire night, and you didn't wake me up. You didn't snore once."

"I'm getting great sleep, she's getting great sleep."

"Now, when we go to sleep, I can sleep on my back, I can sleep on my side, and not snore. I go the entire night, and sleep!"

(3:25) The Brookstone Anti-Snoring pillow is clinically tested to be helpful in reducing snoring. It offers the luxurious comfort and support of a memory foam neck pillow. While letting *you* sleep comfortably in your favorite position—on your back or side. It all adds up to a better night's sleep... for both of you.

(3:43) "I just removed one strip, and then another strip, and then it was perfect."

"It's very cool."

"It fits right into my regular pillowcase."

"You'd would never know it's any different from another pillow when you walk into our bedroom and you look at our bed."

"And he sleeps now."

"Now I do sleep".
